DEPARTMENT OF MECHANICAL ENGINEERING

REPORT ON FIVE DAYS CATIA WORKSHOP

The Department of Mechanical Engineering of Sree Narayana Guru College of Engineering & Technology (SNGCET), Payyanur, conducted a Five Days CATIA Workshop from 4th March to 8th March 2026 in the CAD Lab. The workshop was conducted in collaboration with CADD Centre with the objective of enhancing students' practical knowledge and skills in computer-aided design using CATIA software. It aimed to provide participants with hands-on training in 3D modeling, part design, and assembly, helping them understand industry-level design practices.

Students actively participated in the sessions and gained exposure to advanced CAD tools and techniques. The training helped improve their technical competence and confidence in designing mechanical components.
