Mega Job Fair

Sree Narayana Guru College of Engineering and Technology successfully organized a Mega Job Fair on February 12, 2025. The event aimed to connect employers with job seekers by providing a platform for students and job aspirants to interact with top recruiters from various industries. The event was inaugurated by Sri K.P. Balakrishnan, alongside convenor Sri T.K. Rajendran, Secretary Sri K.P. Vinod Kumar, and other directors of SBSY, as well as officials from the college.

The job fair featured the participation of 53 reputable employers from diverse sectors, including IT, manufacturing, construction, banking, and automobile industries. A total of 550 candidates, consisting of fresh graduates and experienced professionals, attended the event in search of career opportunities. Each employer set up dedicated recruitment booths where candidates participated in interviews, group discussions, and skill assessments. Some companies even offered on-the-spot job offers to candidates who performed well.

The job fair provided an excellent platform for candidates to network with recruiters and gain valuable insights into industry expectations. Both employers and candidates expressed satisfaction with the seamless organization of the event. Recruiters praised the quality of the fair, while job seekers found it to be highly beneficial for their career growth.

The Mega Job Fair was a tremendous success, benefiting both employers and job seekers. The event not only offered job opportunities but also enhanced the relationship between academia and industry. In the future, the institution plans to hold similar initiatives regularly to better support students in their career pursuits.
