Action Taken Report

Date of Grievance Report: 24-4-2019

Reported by: Mr. Akshay McNambial

Nature of Grievance: Canteen functionality

Action taken:

1. Grievance was discussed during the committee meeting. Committee suggested a thorough investigation on canteens functionality to implement corrective actions to improve canteen operations such as

1. Implement strict Quality Control Measures to ensure that food items served in the canteen meet hygiene and safety standards. Regular inspection of food preparation areas and equipment should be conducted.
2. Review the current Menu offerings to ensure they meet the diverse preferences and dietary needs of students and staff.
3. Present canteen staff where called and informed about the grievance. Feedback received from the students and staff where addressed in front of them to improve the canteen functionality.
4. Canteen staff agreed and pledged to improve the quality and hygiene of food.
