## **VIHAAN2020**

The student induction programme "**Vihaan 2020**" was conducted in online mode (in the case of Covidpandemics) for the first year newly admitted students at Sree Narayana Guru college of Engineering & Technology, Payyanur, Kannur under APJ Abdul Kalam Technological University. The programme was held from 16<sup>th</sup> November 2020 to 27<sup>th</sup> November 2020 following the AICTE norms, for all the branches. The program structure includes sessions dealing with the pre-course requirements related to each subjects.

## **ABOUT THE INDUCTION PROGRAM**

Transition from a school to university life is one of the most challenging event in a student's life. Induction program aims a smooth transition of student life from pre-university level to a professional college, preparing them to adapt with their new roles and ambience. The Program offers a beautiful combination of literary, personality development activities, human value sessions, career development and placements opportunities, sports, cultural events and many more.

## **OBJECTIVE**

Induction program set out a strong foundation for the students for their four year long Engineering journey. The motive of the program is to inculcate the students with the culture of the institution, departmental facilities, library and laboratory facilities, placements and careers opportunities, teacher student relationship and to create strong bond among themselves to work as a team and explore the world of Engineering together.

## **DAY 1(16<sup>th</sup> NOVEMBER):FORENOON**

### **DAY 2 (24<sup>th</sup> JULY): FORENOON**

On 26<sup>th</sup> July 2018 induction program was conducted for the newly admitted students at the Meeting Hall. The program aimed to provide the students with information and guidance regarding their college journey. Several sessions were organized, including breathing exercises, self-evaluation form filling, and ice-breaking activities.

The induction program started with a session on breathing exercises conducted by Professor O. Unnikrishnan. The session aimed to help students relax and manage their stress during their college life. Professor Unnikrishnan provided guidance on different breathing techniques and their benefits. The students actively participated and found the session helpful in improving their focus and overall well-being. Following the breathing exercises, the session continued with a form filling activity related to self-evaluation. This session aimed to familiarize the students with the process of self-evaluation and reflection. Divya SP, Premanand C, Manurajan TV, and Anand M E assisted the students in filling out the form. The students filled in their goals, strengths, weaknesses, and aspirations, which would form the basis for their personal development throughout their college journey. The next session of the induction program was an ice-breaking activity called "Roping Through." Divya SP, Premanand C, Manurajan TV, and Anand M V facilitated this activity. The purpose of this session was to encourage students to interact with their peers, build connections, and create a friendly and inclusive environment. The students were

Following tea break, students have the opportunity to participate in the "Know Your Friend" program led by Prof. Unnikrishnan. Later on, there's a motivational and leadership class led by Prof. Raveendran.

## **DAY2:( 24<sup>th</sup> JULY)AFTERNOON**

The afternoon session on 24th JULY commenced promptly at 1:45 p.m. The session was conducted by Prof. O. Unnikrishnan and consisted of a diverse range of engaging activities designed to promote participation, team work, and energy among the participants through role play, musical cap, group energy game.

Second day programme concluded at 3.30 pm

## **DAY3 :(25<sup>th</sup> JULY ):FORENOON**

The day commenced at 9:00 a.m. with a breathing exercise, providing participants with a mindful start to their day. At 9:30 a.m., participants engaged in a session that began with a recap of the previous day's activities and discussions. The session then transitioned into a class on personality development, expertly led by Lt.Col. Praveen. This segment focused on enhancing various facets of participants' personalities, including communication skills, self-awareness, and interpersonal interactions. Lt.col Praveen guidance and expertise provided valuable insights into the intricacies of personality development.

The session resumed after the tea break and continued with a blend of interactive activities and discussions. Participants were actively engaged in exercises aimed at reinforcing the concepts covered earlier in the day. The interactive nature of these activities encouraged active participation and the application of newly acquired knowledge.

## **DAY3 :(25<sup>th</sup> JULY):AFTERNOON**

The afternoon session of the third continued the theme of engaging and interactive learning experiences. This session, led by Divya S.P, Premanand.C, Manu Raj T.V, and Anand M.E, focused on a pertinent

First day programme concluded at 3.30 pm

#### **DAY4:(26<sup>th</sup>JULY):FORENOON**

The day commenced at 9:00 a.m. with a breathing exercise. Following the breathing exercise, participants engaged in a session that began with a recap of the previous day's activities and discussions. The session then transitioned into a class on time management and lifestyle management, expertly led by Lt. Col. C Praveen. This segment aimed to equip participants with practical strategies for effectively managing their time and creating a balanced lifestyle. The program continued with an engaging communicative English class led by Divya SP. This comprehensive session included a range of activities, including watching inspirational videos, participating in debates, and delivering speeches on various topics. Divya SP's guidance ensured that participants had a dynamic platform to enhance their communication skills and build confidence.

#### **DAY4:(26<sup>th</sup>JULY):AFTERNOON**

The afternoon session was dedicated to career guidance, an important aspect of participants' personal and professional development. The session featured two resource persons Athul Ganesh and Mithun Madhav. Participants received valuable insights into career paths, industry trends, and tips for navigating the job market. This interactive session offered participants a clearer understanding of their career options and the steps to achieve their professional goals.

#### **DAY5:(27<sup>th</sup>JULY):FORENOON**

The day commenced at 9:00 a.m. with a session dedicated to recapping the activities and discussions from the previous day. The subsequent session delved into the exploration of universal human values. Conducted by Prem Anand. C and Manuraj T. V, this class aimed to instill ethical and moral principles that transcend cultural and societal boundaries. Participants engaged in thought-provoking discussions that encouraged self-reflection and a deeper understanding of shared values. During the post-break session, participants embarked on a department visit led by Heads of Departments (HODs) and staff members.
