The Sree Narayana Guru College of Engineering & Technology provides bus facilities to students and staff. Our robust transportation facilities are designed to provide a seamless and convenient journey, ensuring that everyone can focus on what matters most – their education.

Our dedicated fleet of buses operates on well-planned routes, covering key residential areas and connecting them directly to the campus with timely schedules and reliable services. Currently the buses ply from college to Kannur, Thaliparamba, Pazhayangadi, Kanhangad, Payyanur .
