GEOTAGGED PHOTOS OF ADMINISTRATIVE OFFICE

The administrative office is located in Swami Anantha Theertha block. There are desks or workstations for administrative staff members who handle tasks such as admissions, student records, scheduling, finances, and general inquiries. There are typically storage units, filing cabinets, or shelves to organize and store paperwork, files, records, and other administrative materials. Bulletin boards and information displays are used to communicate important announcements, upcoming events. Depending on the size and location of the college, the administration office have security measures in place such as surveillance cameras. It also hold the punching machine.
