Principal SNGCET <principal@sngcet.org>
to All, SREE -

Dear all,

The convocation ceremony for the 4th batch of APIAKTU students (2018-2022 Batch) will be held tomorrow (09/09/2023). This is a significant event in the academic calendar, and your presence will add a sense of honor and accomplishment to the occasion. It is a time when we celebrate the hard work, dedication, and achievements of our students who have embarked on new journeys in their lives.

Your presence as educators and mentors has played an instrumental role in shaping the futures of these graduates. Your support and guidance have been invaluable, and your attendance at the Convocation Ceremony will be a source of inspiration to our graduates as they step into the world beyond our institution.

This is to inform you that tomorrow will be a working day for the college and all the Faculty and Staff are requested to be present to make the event a grand success.
